Beautiful Harrison Lake is a rugged mountain lake located north of Sandpoint, ID off of the Pack River. There are several activities to do at this location including boulder scrambles and traversing to ridgelines. It's a spectacular view and is well worth the effort. Additionally, there has always been a good supply of huckleberries on this trip!

The trip starts at CLBC, where we will gear up, go over the trip plan, and discuss back-country safety and ethics. During the four-day, three-night trip, campers will enjoy day hikes, survival skills, and fellowship. Each day will include Bible studies in order to focus campers on the Gospel of Jesus Christ and the glory of God.

This trip is intended for teens of all skill levels. We will provide a safe environment where teens can experience the challenge of hiking and backpacking with new and old friends. To join the trip, simply fill out the registration form or visit our online registration at www.clbcamp.org/registration If you have questions, please contact us. Registrations must be in by August 1, 2017. We will send out a letter to campers one week prior to the trip with final details.
